## MOBILE BAR HIRE

---

All of our mobile bar hire packages come standard with a fully stocked bar, equipped with glassware, uniformed bar staff and served from one of our handmade wooden bars.

We offer 2 payment options for this service:

### **Option 1: Guests Pay Bar**

A 'cash bar' will be in operation where guests pay for their own drinks. We charge a £200.00 deposit fee for this service which is refunded when the minimum spend across the bar is met.

### **Option 2: Host Pre-paid Bar**

The host pays for a fixed number of guests drinks. There is no deposit fee for this service and the host receives a 10% discount on our listed bar prices. There is also the option for guests to pay for their own drinks once the pre-paid threshold is met.

Please allow 1 hour set up time prior to bar opening and 1 hour after closing for clearing of glassware, cleaning and pack-down of bar.

---

Our mobile bars include all glassware as standard. All drinks are UK standard measures unless otherwise stated.

## MOBILE BAR MENU

---
